“ *My friend of 46 years. Playing card games every weekend like we use to do and I taught you how to cheat at it. That was years ago, but we laughed about that in the recent years. Playing Monopoly and I cheated because I was the banker. You never would play that one with me again. That never ruined our friendship, that's just who we were. You will be very sadly missed Judy. You know I loved you. Always have.*
