“ I will never forget when I was a kid, she used to babysit me, we all lived together, me her mom and my mom. She took me to Leslie Park and let me play on the swings only this particular time she left without me and didn't realize it until she was almost home. She ran back to the park and was hugging and kissing me and I was totally clueless that she was even gone. We all laughed about it for years and years. You will be missed by many my dear cousin. You put up a good fight but you kept telling me your weren't going anywhere. I guess the good Lord needed you more. Love you! Sis

“ Karen Was Always Light In An Often Dark World. I Knew Karen Almost My Entire Life. When Karen Was Employed At Wilson's Pharmacy , She Was Always Customer Service Focused And Friendly. Karen Embodied What The Original Lawrenceville and Bloomfield Were All About. I Feel Sorry For All Of Us .

“ Karen was my 1st best friend. Smoked Kools in A&P lot. Played devil in the haystack, release, hidnseek, chalked up sidewalks, mother may I, 7 up, and told ghost stories while all the neighbors sat out on our steps on Main St.
Karen was always smiling, kept a positive attitude and was a loyal friend.
You left many memories in my heart.
Until we meet again, may God keep His loving arms wrapped around you.
See you someday. No goodbyes.

“ *I was her neighbor for about a year. She was always kind and generous. She accepted her fate with courage and kept going to the end.*
