“ I never met Angel in person, but I knew her for many years on line on several social media sites & we spoke often on the phone ..She was a great lady with a lot of love for the veterans & her family, her daughter, her husband & her friends.. I just thought of her as i often do, it's been over 6 years since she has been gone..She left this world way too soon, but her Light remains forever & we will see you again, my Dear Friend. Merry Christmas in Heaven. We miss you
