“ I only got to have Kayleigh a short time in class but she was a very pleasant person. She always had a smile on her face and brought a great attitude to class. It was a pleasure to have both Kayleigh and her sister Behka in class. I am so sorry to hear of her passing. Thoughts and prayers go out to Behka and the family.

“ Kayleigh was a very nice student. She worked hard in Baking class. A few times while working beside her sister Behka I thought I might have to referee, but the sisters worked well together! So sorry she was taken from this world so young! My condolences to the family. You are in my prayers! Mrs. Sandra Laney
