

Kenneth Eldon Withers

April 16, 1964 - February 14, 2026

Kenneth Eldon Withers, age 61, passed away February 14, 2026. Beloved son of Joseph Bender and the late Pamela Bender; father of Dawn Marie Withers, Kenny Withers, Jade Fisher, Jazmine Smith, and Zoey Withers; brother of Christina Greene, Linda Suter, and Joann Jonin; and partner of Donna Graf.

He loved trips to West Virginia, a place that always felt special to him. He had a deep love for animals and a quiet appreciation for life's simple comforts. He often spoke proudly of his family and his time in the military, carrying those memories close to his heart.

He found comfort in the everyday moments, in quiet companionship, and in looking forward to small joys, like sitting beside the little fire pit on Spring nights. He will be deeply missed.
