“ *Kevin was a very giving person. When my children were young, he always sent an assortment of games, candy and other trinkets. They were always much appreciated. I also worked at the IRS in Chamblee, GA. Although we never worked in the same unit, Kevin was an inspiration to me.*

“ *Very shocked and saddened to hear of Kevin's recent passing. Worked with him for many years at the IRS and also was fortunate to have visited in Pittsburgh where he showed me the city and PNC Park to see his beloved Pirates. He had a very extensive knowledge of sports. Very generous, kind soul. I was on his Christmas list. Our whole family looked forward to his special treats each year. My condolences to his family.*

“ *At the IRS Kevin was always an inquisitive and interesting guy. I was one of the fortunate people on Kevin's "Christmas Trinket List." Maybe from above Kevin can assist his beloved Pirates.*

“ I worked with Kevin at the IRS in Atlanta. He later transferred to Pittsburgh. We shared times at PNC park when the Red Sox came to town. Good natured jabs were always exchanged. At Christmas time, a large package would come filled with goodies. He never forgot my birthday! Just last year we visited the many museums in the Burgh as there was no baseball. He loved showing off his city! Chief, I'm going to miss you. RIP.

“ I worked several years with Kevin at the IRS. Kevin always gave me those frosty keychains so I could get a frosty for my grandchildren when they were younger. Kevin always asked me about my family. Kevin had a BIG HEART and BIGGER SMILE!! I will surly miss him. Rest in Peace.

“ I knew Mugsy for many years. He lived across the street from me in Lawrenceville. We moved to Texas for a couple years, and he visited us down there. He sent us envelopes at Christmas every year with little trinkets inside. My granddaughter would look forward to that, and ask if she could open it. He was a kind soul. Rest In Peace Mugsy.

“ *I had the pleasure of knowing Mugsy socially by seeing him at AOH, especially at he St Patrick Day Parade. On occasion around the Lawrenceville area when I visited. I also knew him professionally by working at the Federal Bldg when Mugsy was with the IRS. Mugsy was truly one of the nicest & gentlest people I ever knew. Everything that is being said here and on social media is well deserved. The good lord broke the mold when Mugs was born. I known the kids around here and at the St Patrick’s Day parade are really going to miss the Lawrenceville candyman!*

Mugsy was a great guy. He stayed with us here in Katy Texas for awhile before he got his own place. My daughters recall fond memories of him being a part of our family even though it was a short time. He would always make us laugh. Even though he moved back to the burgh I would think of him. Marcia said he always asked about us when she ran into him. Such a thoughtful man.

I had the honor of working with Keven for many years at the IRS. He was such a kind person, always there to anyone who needed him. When his dad was in rehab, my cousin was in rehab too. He went over and introduced himself to my cousin, and told him he worked with me...he would visit him every day, that was the kind of guy Kevin was. He will be truly missed by anyone who knew him. Rest in Peace, Kevin and fly with the angels!

I worked with Kevin at IRS and he was a special guy. Once he learned I love Snoopy little articles and things would show up. Once I retired I would send him post cards and shirts from I had been and every once in a while a pkg would show up with Kevin 's little surprises. He will truly be missed. He was a good man RIP

My deepest sympathy to Kevin's family. He was such a kind, gentle and thoughtful soul. Every year at Christmas Kevin would come bearing gifts for those of us who worked in the Union office. I was in awe of his kindness and thoughtfulness. I consider myself to be very privileged to have known him and he will be missed by many. May he rest in peace. Charleen Cline Stephansky
