“ Larry was always so kind to me..most recently he searched and helped me locate the best and most economical funeral home for mine and my husbands funeral arrangements, He took me to see the beautiful TOS cemetery and I fell in love with it's green flat area. He even offered two free burial sites across the road from the temple at the other site. None of these I could regretfully accept..my husband plans to be buried in an army cemetary together with me. We shared the love of Cadillacs and introduced him to the SUV Model, instead of the standard cadillac.
