“ I love you and miss you Mommy. Your wee man Bryson loves you and misses you so much too. He will be scratching at his pack n play to get your attention and even tho you eont physically be there i kknow in his heart he will have you there scratching back. Be happy. Be free. Live the life you deserve to live. Sit with Gram and your puppies and watch over us all. You'll never know how much we love you and miss you. I wish I had said it more and had more time with you. I wish you didn't have to battle what you did but you fought it hard. You were so strong and you deserved to have won the battle and to be here with all of us. We love you. We miss you.

“ *Lea you were a very special woman. You raised and are leaving 2 strong women Deanna and Brittany and have a wonderful son Bobby, and loving husband Bob. Not to mention 2 beautiful grandchildren. You left us way too soon. I know that you will continue to watch over your family. Gently guiding them along the way. Now you really are a child of God and watching over the rest of your family. Rest in Peace your friend Barb T.*
