“ *I am so sorry to hear this news. I remember her as a very sweet kid. I didn't know her as an adult, but her passing at such a young age saddens me greatly.*

“ I am so saddened upon learning of the passing of Leah. She was a beautiful soul both on the inside and the outside. Intelligent, clever, and funny are just a few of the adjectives I could use to describe her. Anyone who encountered her, whether they realized it or not, were blessed in some small way. Leah's beautiful blue eyes and wonderful smile will be sorely missed in this world. To her family and friends I can't begin to comprehend how much you grieve and miss her. I know personally the pain of her loss will not subside for a long time to come. My sincere condolences to Leah's loved ones.
