“ *I never met a person who loved life, her family, and children and lived it as well as Linda. I'm so glad our paths crossed in this world. I will miss her dearly. But, HEY, someone has to play trivia games with Sherwood! She will be watching over all of her family now, missing you and loving you forever. You can count on it.*

“ *Denny and family,*

I am so sorry for your loss. I did not know your mom very well, just from the boys birthdays but she was always smiling and kind to everyone. I know she was a good lady because she raised such a good son. With our Love and sympathy. Pete, Melissa, Amelia and Abbey.

“ I was Linda's roomie since birth. We spent most of our lives together. I have Soo many memories with her, but I'll try. Well, the yearly Linda, Judy, and myself went to Canada for our birthdays . We hit all the casinos on our way. Got to Canada, went to wineries, ,saw all the sights at Niagra on the lake, went back to hotel, and drank a great bottle of wine,was lit, went to do kareoke, sang,and danced,went to casino,partying there with other customers, and singing,having a blast, then boom a casino man in a suit, came over and told us we had to stop or we had to leave, Well, that pissed Linda off, and she walked out saying that's it..your not getting my money then, and went and played on the bench outside...yep we were drunk, and laughed..she was pissed, but next day we were back at it. .. we had the best time, and partied the whole time. We just were talking about that at our last PJ party, and we laughed like it just happened.

To Burz and Kara, your mom loved you Soo much, and loved her family. We all have Soo many fun times, and that's what your Mom wants us to remember I love her Soo much, and have many fun memories to keep me laughing..Fly high my sista I Love you 💔💔
