“ *Momma, You are so missed everyday! I never thought I would lose you so soon. You have shown me what it is to be an independent Woman raising kids. I love you Momma and I miss you so much. The kids Miss you very much! Our Madison hurts everyday, Joey and Jameson still ask where you are. Rylee has her own way of showing her feelings and Kyrstin and Mikey Mans, They are my Rocks now that you are gone. I know they say that Time heals all but losing the glue to the family I cant say that the healing will ever really start nor end. I cry most days, I think about you all the time. I couldn't have gotten a better Mother then you! You picked me up whenever i was lost or down. I just truly wish I had more time with you! It almost doesnt seem fair that our gone already. I know Grandma and Pappy are happy to have you home. But, I am still so lonely down here without you! I see the lights flicker in the house I know you are still here. I guess I am just being selfish and wanting you in the flesh. Watch over us Momma for I need your guidance for the rest of my life.*

*Love always,
Your golden Child :)*
