“ *Rest In Peace Louie... the halls of Shadyside are very quiet without your infectious laugh, your "what it is" & oh gosh, just that personality. You will be missed.*

“ *I worked with Louis at Heritage of Shadyside before he went over to hospital. Louis was always a team player, and always had a joke to tell. He would come from daylight job and work evenings. When I asked what you doing with all your money? He would say taking care of my family, Do you know how much tennis shoes cost? Louis you will surely be missed. Prayers of peace for family. To be absent from the body is to be present with the Lord. You will be missed!*

“ I'm still in denial about the news. Lou always made my day especially when he cam down the ramp near my desk and say 'I'm not speaking to you Timira since your leaving early' I would get a kick out of it because he would say it with a straight face. Lou always had a crazy story to tell on the daily basis. Lou had a smile on his face everyday, never have I ever seen him sad about anything. Well Lou now you can have a glass of wine and make sure HE plays the Football Pool with you up there in heaven. You're sure going to be missed down here on earth. You're officially an ANGEL now.

“ *Lou was a wonderful and funny person to work with. He always had a smile on his face and he loved his family very much. My prayer for the family that God will send you a comforter. That His grace and mercy sustains you in this time of sorrow.*
