“ *I had the pleasure of meeting Lu when we worked at Hospital Home Health. My fondest memory was at a fund raiser at the Westview Firehall, Johnny Angel was performing and he called me, Lu and Sara on to the stage to sing along. I hadn't seen Lu in years but met her and Chris Kosuda for lunch a couple of years back. Lu had not changed she had the same personality.
We connected on Facebook and it is true she loved her family dearly..she was proud of her son and his wife and daughter and grandchildren . Rest in peace you are now with the love of your life John.*

“ To the Tortorea and Kutosky Family,

My deepest sympathy on the passing of Lucille. Lucille and I were classmates at Immaculate Conception Elementary, Middle and Junior High School located in the Bloomfield area of Pittsburgh. I remember vividly, she had a strong personality which I admired, she was smart, respectful to the teachers and had compassion for us immigrant students; She helped us to fit in. Our paths were connected from our schooldays to adulthood as neighbors, church parishioners, and our children being classmates. I have missed seeing her around the neighborhood, but would run into her whenever she was in the Bloomfield Community visiting. Her Unwavering Faith, Her Gentle Strength, Her Love of Family, that was the strong personality I so admired.

Eternal rest grant unto Lucille o Lord and let your Perpetual Light shine upon her. May she Rest in Peace. †
