“ *I have many fond memories of talking to Marilyn about books when she'd visit the Carnegie Library. She was a lively participant in our book discussions! I'll miss her. Condolences to the family.*

“ *Dear Adam & Eric,*

We extend our sympathy to your family. Thank you for allowing us to spend a night with your mother. We loved her, & we will miss her. I assume your mother chose the way she wanted to be remembered. Something made me go on Legacy today, & I got the news. I know it was your mother's choice. I'll say it one more time, let us know if we can do anything. Mim was always a class act, even through illness & death.

*Our love to your family,
Cheryl & Bob*
