“ *I was saddened to learn of the death of Mary Jane. She was a kind, generous, loving person who was an important part of our family for years. She was a dear friend to my aunt, Audrey Welker, who died at a young age and Mary Jane always remained close to our family. She was woman of strong faith with a generous heart. She gave so much of herself to her Church and in service to others. She had a wonderful sense of humor, a great joy for living and a kind soul. I will always be grateful for her love for my mother and dad, and our family. May she Rest In Peace.*
