“ I would like to say to the family of Mike Buckley. That I love Mike. And it is with great sadness that I will not be able to attend the viewing today. I have been sick for awhile and am on IV antibiotics. I know the funeral home is going to be jam packed and I am worried of getting the flu that is going around. You have my deepest condolences. Mike was one of a kind. Much love and respect.

“ My sympathies to you in this time of loss. I will pray for comfort, peace, and healing.

I will miss you DEARLY, my friend. Such a terrible loss for us all. God took you home, away from pain and suffering. You are now our angel, watching over us. I am so so blessed to have known you, and to have been able to call you my friend. You were always there for me, and will always be a part of who I am today. I love you Mikey, and will miss your smile, your presence, and your hugs. Rest easy my friend. You will forever be in my heart.
