“ *I have so many beautiful memories with the woman I call mom. We could be in the same room without saying a word and have a good time. We wrote poems together, read and talked about the Bible, shared walks at the lake, laughed when neither of us could remember what we were going to say next. She shared every milestone by my side. She shared with me my most proud moments and not so proud moments. She was a wonderful mother, friend, grandmother, great-grandmother, and woman. You will never be forgotten. I will be terribly lost without her. But, I will rejoice knowing that she is with Jesus in heaven living the good life. You are my heart and soul and I miss you more than words could ever express. I love you dearly. Your daughter-Sharon.*
