“ *I have been one of Nancy's subspecialty care provider at Children's Hospital since 2007. I am so proud of Nancy for the many goals she accomplished including her high school graduation. Nancy is hopefully at peace and no longer suffering. She will be deeply missed! Dr. Hughan and the Endocrine team*

“ *I was Nancy ' s independent living worker through Circle C Youth and Family Services for about 3 years. Nancy was such a wonderful person to be around. Always positive and had goals she wanted to achieve. I remember when she found out she could have sugar free gum. My supervisor let me get a large amount of packs of gum and I made a cake (not an actual cake) staking the packs around and then used pink cheetah print ribbon. She loved it!!! - Nancy will be greatly missed but I'll always remember the times we had together and knowing she is no longer suffering.*

*Love,
