

Norma L. Buchwach

June 11, 1932 - December 3, 2024

Norma Louise Miller Buchwach born June 11, 1932 and passed on December 3, 2024, in Canterbury Place, where she was briefly cared for.

Norma was the daughter of the late Margaret and Thomas Miller, the granddaughter of the late Emma Jamison, and sister of Ruth Hurney who she still talked to every day.

She was born and raised in Pittsburgh. After high school, she continued her education at Robert Morris College, specializing in secretarial skills which she used as an executive secretary at Action Industries for many years.

She enjoyed more than 30 years of wonderful marriage to her late husband Bob Buchwach that began in 1964, by which time they each had 3 children of their own. She and Bob enjoyed traveling together or just spending a day at home rooting for the Steelers.

Norma is survived by all 6 children that she and Bob raised: Lynn, Dan (spouse Melissa), Tom, Fran, Michael and Cheryl (spouse Hugh). Norma also has 9 loving grandchildren and 2 adorable great grandchildren. She loved being a mom, Grandma, and Gigi more than anything in the world.

A private celebration of life will be held. In lieu of flowers, please consider a donation to the American Cancer Society.

As Norma would have said, that's all I know...
