Norma DeLuco

Age 95. It is with great sorrow that we tell of the passing of Norma DeLuco on February 3, 2022. Norma was the great wife of Carmen for 72 years, a wonderful and beloved mother of four daughters, grandmother of four, and great-grandmother of five. As she wished, there will be private services and no visitation. Your prayers will be welcome.

“ *One of my favorite childhood memories is of going to Aunt Norma and Uncle Carmen's house for their Christmas party. Every year I would look forward to the homemade pizza and being with everyone at their dining room table, great memories.*
