“ *I will never forget the day me and wife got married. It was so funny that Patrick was not only my best man but he was also my wife's maid of honor. He didn't care he was always a happy person.*

“ *When Shelia and her family came hom from Japan they came to my house. Patrick petted our dog. He then came up the stairs onto the porch. He saw identical steps going down the other side. He ran down those steps and he saw our dog again. He ran back to his mom and to her we twin dogs one for each yard. It took 4 adults a few MINUTES to convince him we only one yard and 1 dog*

“ *My condolences to Patrick's friends and family on this loss. He was a good man who always made time for his children and continued to do the right thing. He was a hard worker who always went the extra mile to help a friend.*
