“ *My deepest condolences to Ralph's family, especially Sue, Katie and David. His beautiful children are a true testament to his legacy and his love for life lives on in both. Selfishly I had hoped Ralph and I would continue our monthly chats. I will miss his humor and exceptional music making. Thank you Ralph for helping me reach my goals professionally and in my personal life. You will be missed...*

“ *I would like to express sincerest sympathy to the Zitterbart family. Ralph will be missed by so many. Ralph made us better musicians and even more importantly better people. I will miss him, but he left us with so much of himself. Thank You, Ralph!*
