“ I was good friends with Regis’ and Jimmy. We went to IUP together . I would stay at their home when I was modeling a Kaufmanns. Jimmy would come to New York City when I moved there to model. Reggie was such a good person. He was so kind . He was crossing Freindship Street in Bloomfield at the traffic light and I was waiting for the light to turn green as he walked in front of my car. I got out of the car and yelled Reggie! I couldn’t believe it was him. I gave him a big hug and met him later that day for a coffee. I loved him and his brother !!! Rest in peace you guys!!! Love you both ! Mark Peconi
