“ *My first symptoms of ALS occurred in 2014, but was diagnosed in 2016. I had severe symptoms ranging from shortness of breath, balance problems, couldn't walk without a walker or a power chair, i had difficulty swallowing and fatigue. I was given medications which helped but only for a short burst of time, then I decided to try alternative measures and began on ALS Formula treatment from Tree of Life Health clinic. It has made a tremendous difference for me (Visit w w w. treeoflifeherbalclinic .com). I had improved walking balance, increased appetite, muscle strength, improved eyesight and others.]*

“ Cousins - I just found out about Richie's passing. It is too bad that we never got to know you better, but we always heard such wonderful things about Rich and all of you. Your mother was our first cousin, and my mother was her favorite aunt (allegedly)--Aunt Irene. We started to lose touch with you following the passing of my mother in 1995, and at that time I was already living in South Carolina with my family (still live there). We saw Georgia occasionally when we went to visit my Aunt Helen. My brother Hoppy (Steven) tried to keep up with occasional phone calls. And all of you were very supportive when my sister Maria passed in 2005. Our Hvasta clan is very small, and Richie's passing will leave a huge void. Please accept our deepest condolences and let us know if we can do anything. With love from the Ignatz cousins: Stephanie (Dennis), Hoppy and Tracy.

“ *Who would have thought me singing you a song would form a friendship that I will treasure the rest of my days. I am blessed to have been able to care for us to have shared a special bond. You had a mental attitude that made me proud to have a friend who spelled out the world 'courage,' 24 hours a day, every day since we met. Rest well my friend for you will be in my heart forever!!!! - Love and miss you --Gina*

I just found out you passed away. Please accept my heartfelt sympathies. I loved you guys as my neighbors and friends in Conneaut Lake. We had many great times and millions of laughs. My heart is broken but now you are with your mum and dad, Nicky, Gramdma and your niece. Rest with God, Richie, I'll see you again someday.
