“ From our earliest days together, we all have been blessed by your unwavering love, loyalty and kindness. Whether people were facing life's challenges or celebrating its joys, your steadfastness and quiet wisdom lit the path ahead. Memories of your numerous “happy hours” visits with Theresa and our deep conversations are treasures I will carry always in my heart.

Your love, kindness and knowledge knew no boundaries. You gave freely of your time and heart, always ready to lend a helping hand wherever needed. Thank you for your endless generosity that touched countless lives, leaving a legacy of compassion that will endure long beyond today.

*I'll miss you my friend!*
