“ I was so sad to hear about your parents. We all grew up together, hanging out at "the plan." Robbie always was coming up with great ideas and plans for the weekend. He hated to sit still. Judy would just enjoy the ride. She would come to the Marina and we would drive up and down the river, singing as loud as we could. Lol. We had an amazing childhood and I am blessed to have shared mine with Robbie and Judy. I am so sorry for your loss.

“ *Judy and Robbie had both their good times and bad time, easy time and hard times but they stayed together thru it all. Now they can be at peace together forever. Knowing that is what will get you through this sad time.*
