“ *Bob never said no when a friend asked for help. His willingness to help others in need was known to all who knew him. Our trip to Miami Florida with hurricane relief supplies is one of my many cherished memories with Bob. My deepest sympathies for Jill and family.*

“ With deepest sympathy to Jill and the entire Mitchell family. Bob & I became friends back in High School Days when the North Park Ice Skating Rink was the place to be on a winter evening. (I used to love to race him around that rink because he was so fast. He always won) As our group of friends each started their own paths in life Bob and I would run into each other occasionally, we would update each other about our families and talk about the "Old Days". He always brought a smile to my face. He will always have a special place in my heart.

*Rest in Peace*

“ *The Mitchell family came into our lives years ago, when his sister Susan married my brother Steven! From the very beginning we were welcomed and loved! Bobby had such a wonderful, caring soul. He was always willing to help anyone! Always had a smile on his face!! We lived in Florida and Bobby and Jill and their family lived in Pennsylvania! We never got to spend a lot of time together but when we shared special times like weddings, holidays, engagements it was very clear.....this was a special family! The love they shared as a family was evident. Thru the years Bobby and I shared many Facebook posts! I loved his sense of humor, political laughs but most of all I loved his patriotic love of country, his dedication to his family and his never ending faith in God! My heart grieves for his family and sincerely hope all their special memories of Bobby will bring them special comfort.*

“ Bobby was such an amazing guy who would do anything for anyone. He was like an uncle to my brother and I and I have so many fond memories with him spending lots of time goofing around having fun with us. He made you feel like the most important person in the room talking with him. Such a caring husband, father, grandfather, godfather, and friend. You will be so missed Bobby. We love you.
