“ *I met Bob in 1973 when I was an 18-year-old freshman at Pitt. Bob was a returning student, back as a sophomore after having spent time in the Navy. We became fast friends, and that friendship continued over all these years. He was one of the closest and dearest friends that I have ever had. I will miss him terribly, but I will never forget him. He will always have a special place in my heart. My most heartfelt condolences to his family. RIP Bobby.*
