“ Dear Magda,

*My condolences for the passing away of Rolf. Rolf was as a key mentor for setting up our studies and very helpful in finding grants. He was also a very inspiring supervisor for our students who visited his lab. We all loved him for his kindness and his intellectual attitude.*

*I wish you strength in the coming period:*

*Ik wil alleen zijn met de zee,  
ik wil alleen zijn met het strand,  
ik wil mijn ziel wat laten varen,  
niet mijn lijf en mijn verstand.  
Ik wil luisteren naar mijn zwijgen,  
daarna zal ik verder gaan,  
en de zee ik weet het zeker,  
zal mijn zwijgen wel verstaan.*

*Warm regards, Wim Meeus, Utrecht University*
