“ Aunt Rosie, you and Aunt Margie made the very best Christmases for the entire family. Many, many fond memories of my childhood are because of you. I remember you sewing an outfit for me for a school function. I remember cutting hundreds of coupons with you and Aunt Margie. I remember you chasing me around the dining room table because I called you a "broad"...you never did catch me! I'm at peace knowing that you are home with the LORD and are now joined with all the family members that have crossed over before you. I look forward to the day when we can all be together in the grace of GOD.

I love you Aunt Rosie ❤️
