“ *Too many great memories to share. Dinner parties with Dori in our crappy Dormont apartment. Riding around Oakland in your Celica listening to Taj Mahal. Going to that awful Indian restaurant and our hands turning yellow!!! It doesn't seem real that you're gone. I know we lost touch the past few years, but the world will be just a little shittier with out you here. I love you, sweetie. We all did.*

“ I was so saddened to hear this. Rosemary was one of the most beautiful girls in our graduating class at Mt. Alvernia. I would like to extend my heartfelt condolences to her family and friends. She and all who loved her will be in my prayers.
