“ *Yolanda and Family,*

*I am very sorry to hear of the passing of your Father He was one of the nicest neighbors in Bloomfield. He was always smiling, and always so happy and friendly. He loved you so much. You could tell when he looked at you, and how proud he was of you and your hair salon. You had a very, very sweet Mother and Father. May they both rest in peace together now.*

*Dear Yolanda, Dennis and Family,*

*We were shocked to read of your father's passing in the parish bulletin today. Although he had a wonderful, long life, it is still never easy for those of us left behind to bid our parents farewell.*

*The streets of Bloomfield will never be quite the same without his playful and ebullient presence. I'll raise a Sambuca in his honor and memory today with the wish, "Riposa in pace, amico mio!"*
