“ *My sincere condolences to Sherri's husband and family. Sherri and I worked for Mickey and Co years ago and immediately hit it off. We were often roommates and both loved our black horses. I live in St Louis so we lost touch when Mickey closed down. But we did have a lot of good memories! I'm so very sorry. Donna Singer*

“ *Sherri and I went to elementary school together. We re-connected about 10 years ago and spent a wonderful afternoon together. Sadly, after that we lost touch again. I am so very, very sorry to learn of her passing. My heart goes out to her family. Annie Bilder*

“ *My deepest condolences to all the family. Sherri and I spent many a day/night playing tricks on her sister and parents. We were tethered to one another for many a year and I had the great privilege of reconnecting, via phone and e-mails in recent years. May her memory be for a blessing. You will be dearly missed, Sherri. Love you.*
