I met Sue many years ago through work and to this day she remains in my thoughts. There were times I'd take her home from work and during the car ride, she would talk about her family, she was so proud of her kids. I am so very sorry for your loss. She will be missed.

Suzie was a wonderful, caring, kind young woman who took excellent care of my Uncle George at Canterbury. She was a ray of sunshine! May she rest in peace and I hope she sees Uncle George again. Deepest sympathy to all her loved ones. Eileen Carmody
