

Terry S. Bolton

March 5, 1956 - April 8, 2018

Terry Sue Ross/Bolton

March 5, 1956 –April 8, 2018

Age 62, of Westmoreland County, passed gently on Sunday April 8, 2018. Terry has been found and returned to the Big Circus in the Sky where she joins her father Alex and mother Patricia. Though short in stature she had an enormous heart, which was apparently too big. Left behind to wonder how anything will be the same is Arthur, her partner in life, would have said crime but nothing has been proven yet. Also, to carry on in her spirit are her children Johnathan (Valecia) and Christy (Jeff) and grandchildren Valerie and Pedro John. She will be missed by all and especially her siblings, Diane, Biff (Kathy), James, Joe (Danette), Tammy (Andre), Doug (Diane), and Jeff (Sally). Terri is also survived by numerous nieces, nephews, great nieces, and great nephews, all of which were probably taller than her. There will be a gathering of family and friends to celebrate her life at Twin Lakes on the May 27, 2018. If you would like to do something special, please consider an unsolicited act of kindness.

“ I cannot even express how much my heart aches knowing that I'll never see Terry again. I worked with her at Walmart, and every day we worked together I could expect a big hug from her. Even after I left Walmart, every time she saw me when I went to shop she'd give me a hug and take a few minutes to catch up with me. I'll miss her hugs and just the love she showed me.

“ I always called Terry “Strawberry” I first met Terry working overnight at Walmrt. She was the cutest little thing .. I will always remember her rolling up in her little aqua blue convertable Mustang . She was one of the hardest workers I had the pleasure to be with . I will miss you my dear friend . R.I.P
