Tommy and I shared the same birthday June 20 not the same year though. We would always remember to wish each other a happy birthday! He was an attractive man with a warm kind and fun spirit. He was intelligent and loved to share insights of books he read for great conversation. We enjoyed his presence so much. We missed him when he moved, but stayed in contact with him here and there. Yes Michael and Joy pray for you in this time of grief. Our sincerest condolences to his family. His life will be celebrated and missed by all.
