“ I am Extremely saddened to hear that Tom has passed. Even though a very long time has gotten away from us between friendship it does not mean I forget all the time we spent together as Kids. We shared much time Riding Bikes and Rollerblading to playing hockey and Wrestling in Jr.high. Tom was a great childhood friend and I will never forget our memories together. My Deepest Sincere Condolences to his siblings and parent's Elena and Mark.

I'd like to send prayers and my deepest sympathies to Tom's family and friends. He was taken away to early. I worked with Tom at Shadyside in the dialysis unit. Tom was always compassionate and attentive to his patients and I truly enjoyed working with Tom. He was a very great nurse and co worker.

He had a wonderful sense of humor and no task was above him to help with or complete. He was one of the classiest guys I've ever had the pleasure of knowing.

My prayers go out to his family and friends.

“ Tom was a special young man who gave so much to others . He was kind and compassionate to all. He loved nursing and was an exceptional nurse. He lived a quiet life and always brought joy to our family. Thomas shared my love for nephrology and I will always treasure the time I shared with him while working at DCI as fellow nurses. We love you Tom. Aunt Sharon and Uncle George.
