“ *I remember this crazy kid wearing a helmet and just flying down the slopes at Boyce Park. Then my best friend Ricky says "that's my little brother"! Hadn't see him in decades and this news saddens me. Prayers to the family for peace.*

“ *Tim was my walking buddy for 2 years. I was honored to share with him ideas of philosophy. I also got to experience his extraordinary wit. He is missed. I send this as his friend.....Paul.*
