“ *I will always remember his big heart, kindness and that sense of humor. I still laugh thinking about when he came over to our house with a handful of leaves, each one had Miller written on it, and told my dad he found our leaves in his yard. RIP Tom. To quote my dad, you were a gentleman's gentleman. My love and prayers go out to each and every one of you for your great loss. His dimples are shiny on you from above!*
