“ *I am deeply saddened to hear about the loss of Mrs. Gorsuch. She, along with Mr. Gorsuch, was a significant part of my childhood, and I appreciate everything that they did for me. I have so many fond memories from that time that I will always cherish. I can remember her love for children, her incredible kindness and warmth, her amazing hospitality, and her great sense of humor and fondness for practical jokes - of which I was a frequent victim. To Dale and the rest of the Gorsuch family, you are in my thoughts and prayers during this time of grief.*

“ *Mom*

It still seems unreal. I love you, and miss you so much already. Its gonna be so hard here without you. I know your no longer suffering and for that I am forever grateful. You are home now. You are where there is nothing but beauty. Even though we are gonna hurt and mourn for you always, just knowing you are with the Lord our Father gives me sense of peace. I will look for you in the sky and know that when the sky is beautiful it will be because of Gods newest Angel. I love you and will always miss you. 😭😭 until we reunite in heaven, I will talk you every day. Give dad and Tyler a huge big from me. I'll mourn you till I join you.

“ *Valarie was the Assistant Cook at Camp Rolling Hills in Wellsburg, WV in 1976. I was the Cook. It's been a long time. Very sad to hear about this. She was a sweet, pleasant, hard worker, and an easy-to-live with roommate for those 10 weeks in the bedroom behind the kitchen. Except for possibly at a staff reunion decades ago, I haven't seen her since then. It sounds from the comments written here by her beloved family that she stayed the same wonderful person all that time. Wishing you all profound peace.*

“ *Mom, we already miss you so much. We are glad that you will never suffer or feel pain again, but losing you is so hard. We all have a huge void in our lives now because you are gone. I will think if you everyday and I will miss you for the rest of my life. I just hope I made you happy and that I was able to show you how much I love you. I hope you always knew the depth of my love for you. Go now mom, and enjoy your time. Take in all the beautiful sights in heaven with those gorgeous baby blues of yours and give dad a big hug for me. ❤️*
