“ *Oh Vera...What a wonderful life you had. I'm so sorry that you had to leave us but we know that you are in a beautiful place now and you're only as far away as our thoughts and great memories of you!*

*Such a fantastically fun friend to all who knew you.*

*Big-hearted, loving and kind to those in need, never wanting anything in return.*

*Happy, hearty and hilarious...You made us all laugh and smile, and you touched our lives with your love.*

*I pray you are happy and healthy now, and I pray for your family that they find solace and strength as they go through this difficult time.*

*I love you my friend...Rest in the Peace of God's love.*

“ In 1980 I got my heart broken. I climbed into Vera's house and did not leave for 4 days. She let me cry scream and pout. Then she pulled me up. Washed my face and gave me a life again. My parents where so thankful for her. She was my rock. If it was not for her I would have never met my husband. I loved her. Our last conversations where hard but her life was her children her grand baby and Tim Your mother was and will. Always be a truly beautiful woman ❤️ Our hearts are with u all ❤️

Vera, I know you are with God and your smiling down on us all. I hope your family finds peace. And that your family and Tim will enjoy Sunday when all of us let go of the balloons into the sky and that they reach you in heaven and show you how much you are loved.
