*I know, I loved him dearly too!!
I always think about him and all the great times we shared
(PRICELESS) and will always be in my heart and thoughts
When my day is going bad I think back to the good old days when I can
hear him say Im in "Greenfield Township my territory" or if Im driving
my work Van I will look over in the passenger seat and see him and
hear him say "WATCH YOUR LANGUAGE or FORGET ABOUT IT"
Hope your doing well and I hope you're mom is doing well
With all my love
Chuck*
