“ *When we were kids we spent a lot of time together. Her sister Karen and my brother Jim and I. Our mothers were close and we shared holiday moments and birthdays and now and then some not so fun moments. But we made everything funny even when it was not As we got older and all went our own ways we were not in touch as much as we should have been and did not see each other as often. I will always regret those missed moments of spending time together or at the least staying in touch. But no matter how much time passed we always shared a couple very funny memories that always stuck with us and will forever. And now at this very sad time it has been as though all those years have melted away and it was like it was when we were kids. Karen and family I wish for all of you peace in knowing that Ginny suffers no more and is with all those she loved who went before her. And Ginny I am sorry we did not get the time to see each other again. Rest in peace Ginny. As God has promised we will see each other again.*

“ Ginny was so much more than just a friend. She had such a huge heart. If you were lucky to know her, you loved her. I am going to miss my friend so very much. I have so many memories, a lot of them, funny, to treasure.

*Karen and family,
I share in your grief and loss. Know that you all are in my pray and thoughts. Thank you for being there for Ginny.*

*Leslie,
I know you will also miss Ginny very much. Know that she is no longer suffering and she is with Wayne.*

Rest In Peace Ginny, it's been many years since we have seen each other but, I remember your mother (my Aunt Dot) dressing you and your sister as twins. I remember the cook-outs you were always quiet but, Karen and I made up for it. So sorry we did not get the chance to meet again. Understand you and Karen were close and your nephew and niece how blessed and I hear Loved. You will be joining a great group in heaven. God bless Dottie & Butch xxoo
