“ My heartfelt condolences are offered to Ginny's family and to all who loved her. My son shared an office with Ginny at Allegheny County Health Department and we reaped the blessing of knowing Ginny. She guided my son through some dark days and her advice proved to be providential. Her friendship was treasured. Her wit and insight were uplifting and appreciated. Heaven must have needed another wonderful angel. Always and forever in our hearts!

“ I would like to extend my deepest condolences to Bill and the rest of her family. I had the honor of working with her at the Health Department. She was always there to help others in difficult cases. Many times I took advantage of her network in order to help friends, family, and everybody in between. Not only did she have a great sense of humor but she was kind and generally just a lovely person. I wish I could of spent more time laughing with her after her well deserved retirement. Rest in Peace Ginny.

“ *I have had the honor of working with Ginny as both an Ombudsman and as a colleague when she worked at the Allegheny County Health Department. She was very professional, knowledgeable and compassionate. When she became a volunteer Ombudsman she jumped right in helping with high risk facilities. She was a valuable member of our program and will be missed by all.*
