“ There are so many good memories to share he was like everyone father brother grandfather to all the kids in our family We had such fun times low times but he was always there to listen and give you good advice whether you liked it or not. Rest in peace our friend. You will truly be missed by our family who you were such a great part of. We loved you and never considered our friend but our family. Your pain is over but our pain will be saying good bye to one of the best family member could have. You have been with our family for so many good years and we were blessed to have you in our lives. Thank you for always being there when ever we needed a lending hand. RIP our friend and tell all our family which we know you guys will be having a ball up there that we miss all of them and you as well. Especially that laugh of yours. When you laughed we all would laugh because your laughter was so addicting. Love you our friend. You will truly be missed and forever in our hearts.
Love the Jablonskis.
