“ *Dad...what a privilege it was to call you that. For 43 years you've been my 2nd father and I love you very much. The last time we were in Pittsburgh and you met my husband, you pulled me aside and said, "April ..you've got a good man right there. I'm so proud of you. You've made a beautiful family." You'll never know what that meant. Gave you the biggest hug. Will hug you again when we meet in heaven.* ”
