“ *It was a privilege to know Bill and have him as part of our extended family. His warm, outgoing personality, and fascinating conversations about so many subjects, enriched our lives. We will miss him very much. Our thoughts and prayers are with all of the Cahill Family. We grieve with you at this sorrowful time and wish you peace.*

“ *Gene and family, please accept my deepest sympathy in your time of sorrow. Your Father was a good friend and Brother. I was glad to be his friend and fellow in the ACSR. We shared a lot of good times during those years and was looking forward to seeing him this past St. Patrick's Day but circumstanced prohibited that. Tom Murray, the Bagpiper.*
