*“ You were were truly a good person with a heart of gold. When I lived with my sister in Lawrenceville you were like a brother to me. Its sad that you took this route in your life because you could have done great things. I hope you are finally at peace.*

“ People will use the saying, "he would give the shirt off of his back" for you. But one of my 1st and most lasting memories off Bill was him doing just that. I dont remember what we were doing or why I needed a shirt to walk home, but Bill offered his shirt to me off of his own back and wouldnt take no for an answer. And I didnt even know him well yet, at the time.

*It was a memory like this that, tells what kind of guy Bill was. He would go out of his way to help someone he didnt even know well. Unselfish, Ill miss him.*
