“Wyatt!!! I knew the first day he came to my classroom he and I would be like Bonnie & Clyde!!! Just the sweetest smile and eyes that were checking me out to see how cool I was!! He was my partner in time from the time he joined our classroom even after he moved on to a new classroom. I'd see him in the hallways or at different events at school and he would always give me that sweet smile. He made coming to work for me a happy place because he always brightened up my day!!! To Leah, Ben and the boys “Thank You” for sharing Wyatt with us and being one of the Nicest families. Thanks for the Sweetest memories Wyatt, I'll never forget you.
